

Jawaharlal International Institute For Education and Research

(SKILL BASED WORK INTEGRATED UG AND PG PROGRAMS)

Did you have
Arrier ??
Are you
Discontinued ???
Are you Stopped
your Education ??

Need Increment !!
Need promotion !!
Need Private /
Corporate Abroad
Jobs !!!

We are with
you
Work
integrated
UG / PG
Programs

NOW

Working
&
Non- Working
Person
Can get Degree !!!

- Faculty of Arts
- Faculty of Fine Arts
- Faculty of Science
- Faculty of Humanities and Social Science
- Faculty of Agriculture
- Faculty of Commerce
- Faculty of Technical Education
- Faculty of Engineering
- Faculty of Technology
- Faculty of Management
- Faculty of Education
- Faculty of Research

SCIENCE AND HUMANITIES

UG COURSES BA B.Sc B.Com BCA BBA

PG COURSES MA M.Sc MCA M.Com MBA

B.SC

- Accounting and finance
- Actuarial and financial mathematics
- Actuarial science
- Zoology & bio technology
- Aeronautical science
- Agricultural bio technology
- Agricultural economics & farm management
- Agricultural statistics
- Agriculture
- Agriculture business management
- Agro – chemical and pest control
- Agronomy
- Aircraft maintenance science
- Airlines, tourism and hospitality management
- Allied health sciences
- Anaesthesias& operation techniques
- Analytical chemistry
- Anatomy
- Animal husbandry and dairying
- Animation
- Animation and gaming
- Animation & VFX
- Animation and multimedia
- Animation and visual effects
- Animation film making
- Animation game designing and development
- Anthropology
- Applied sciences food technology
- Apparel and fashion technology
- Applied bio technology applied chemistry
- Applied mathematics
- Applied microbiology
- Applied nutrition
- Applied physical sciences
- Applied physics
- Applied science
- Applied statistics
- Aquaculture
- Aquaculture & fishery microbiology
- Aqua logy
- Audiolog
- Audiology and speech rehabilitation
- Aviation
- Aviation technology with pilot studies
- Interior design and decoration
- Banking and finance
- Bio chemistry
- Bio chemistry and agricultural chemistry
- Bio informatics
- Biological science
- Biology
- Bio medical sciences
- Biosciences
- Biostatistics
- Biotechnology
- Botany
- Business and management studies
- Business information system
- Cardiac technology
- Cardiovascular technology
- Catering management
- Catering science and hotel management
- Chemistry
- Child development & family relations
- Clinical microbiology
- Clinical nutrition
- Clothing and textiles
- Communication science
- Composite
- Fashion design and interior design
- Fashion design and technology
- Fire and safety
- Fire safety and hazard management
- Fisheries
- Food & nutrition
- Food processing technology
- Food science & quality control
- Food science and nutrition management
- Food sciences
- Food technology
- Forensic science
- Forensic sciences
- Forestry
- Gaming
- Garment manufacturing
- Garment production & export management
- Genetics
- Genetics, micro biology & chemistry
- Geography
- Geology
- Hardware and networking
- Health information administration
- Home management
- Home science & nutrition
- Horticulture science

B.SC

- Computer applications
- Computer applications informatics
- Computer maintenance & electronics
- Computer science
- Computer science statistics
- Computer technology
- Costume and fashion technology
- Costume design and fashion
- Critical care technology
- Crop physiology
- Dairy technology
- Digital film making
- Digital media
- Dress designing
- Economics
- Electronic commerce
- Electronic media
- Electronics
- Electronics & communication
- Emergency and trauma care technology
- Entomology
- Environmental studies
- Environmental science & wildlife management
- Environmental science and water management
- Extension education
- Family and community science
- Family resource management
- Fashion and apparel design
- Fashion design
- Jewellery design
- Jewellery design and manufacture
- Jewellery design and technology
- K.P.O and customer service
- Life sciences
- Life style and accessory design
- M.Sc. medical anatomy
- Marine science
- Maritime hospitality studies
- Marketing
- Mass communication
- Mass communication and journalism
- Mass communication and videography
- Mass communication, advertising
- Journalism
- Mathematical science
- Mathematics
- Mathematics and computer science
- Mathematics with allied chemistry
- Mathematics with allied physics
- Mathematics , computer , statistics
- Med .tech .operation theatre
- Media graphics and animation MGA
- Hospital administration
- Hospitality and catering technology
- Hospitality and hotel administration
- Hospitality and tourism studies
- Hospitality management
- Hospitality management and dietetics
- Hospitality studies and catering services
- Hospitality, tourism and catering
- Hotel management
- Hotel management and catering operations
- Hotel management and catering technology
- Hotel management and catering travel operations
- Hotel management and culinary arts
- Hotel management and tourism
- Hotel management, catering and tourism
- House hold science
- Human development
- Human ecology and consumer services
- Industrial electronics
- Industrial fish and fisheries
- Industrial microbiology
- Industrial science
- Information science
- Tele communication
- Information system management
- Information technology
- Institutional house keeping
- Instrumentation
- Interior design
- Occupational therapy
- Operation theatre & anaesthesias technology
- Ophthalmic techniques
- Optoelectronics
- Optometry
- Optometry and ophthalmic techniques
- Organisation and management of early childhood programmes
- Perfusion technology
- Photonics
- Physical education, health education & sports
- Physical science
- Physical therapy
- Physician assistant
- Physics
- Physics with allied chemistry
- Physics with allied mathematics
- Physiology
- Physiotherapy
- Pisciculture
- Plant biology and plant bio technology
- Polymer chemistry
- Polymer science

B.SC

- Medical
- Medical bio chemistry
- Medical bio technology
- Medical imaging technology
- Medical laboratory technology
- Medical microbiology
- Medical radiological technology
- Medical sociology
- Medical technology
- Medical technology in radiography
- Meteorology
- Microbiology integrated
- Microbial & food technology
- Microbiology
- Microbiology and microbial technology
- Microbiology with immunology
- Military science
- Molecular biology
- Multimedia
- Multimedia & web technology
- Multimedia animation & graphics
- Multimedia entertainment & film technology
- Multimedia technology
- Nano technology
- Nautical technology
- Nematology
- Networking technologies
- Neurophysiology technology
- Non – medical nuclear medicine technology
- Nutrition
- Nutrition & dietetics
- Nutrition, food services management and dietetics
- Visual media
- Vocational
- Vocational – nutrition
- Yoga
- Yoga and consciousness
- Polyvalent maritime science
- Printing technology
- Prosthetics and orthotics
- Psychology
- Radiography
- Radiography and imagine and advanced imaging techniques
- Radiography and imagining technology
- Radiology and imaging technology
- Radiotherapy
- Renal dialysis technology
- Residential space design and management
- Respiratory therapy
- Rural agricultural work experience
- Rural technology
- Sericulture
- Social sciences
- Software engineering
- Software system
- Soil science
- Special education and rehabilitation
- Speech and hearing
- Sports science outdoor activities
- Sports science and physiology
- Statistics
- Teahusbandry& technology
- Textile design
- Textilescience, clothing & fashion studies
- Textiles and apparel designing
- Tourism& travel management
- Tourism management
- Urology technology
- Yoga and education
- Yoga and management
- Yoga and naturopathy
- Zoology
- Zoology and animal bio technology

M.SC

- Actuarial science
- Advanced bio chemistry
- Advertising management & public relation
- Agricultural bio technology
- Agricultural economics
- Agricultural economics & business management
- Agricultural entomology
- Agricultural extension education
- Agricultural microbiology
- Agricultural physics
- Agricultural sciences
- Agricultural statistics
- Agriculture and rural development
- Applied genetics
- Applied geography
- Applied geography and geo informatics
- Applied geology
- Applied geology and geo informatics
- Applied mathematics
- Applied mathematics and computing
- Applied mathematics with oceanology and computer programming
- Applied physics
- Applied physics and ballistics
- Applied plant science
- Applied psychology

M.SC

- Agriculture botany
- Agriculture chemistry
- Agriculture chemicals
- Agriculture chemistry & soil science
- Agriculture horticulture
- Agrilbio chemistry /ag.bio chemistry
- Agril.marketing& cooperation
- Agril. Meteorology & physics /ag.meteorology & physics
- Agroforestry
- Agro – meteorology
- Agronomy
- Airlines, tourism & hospitality management
- Analytical chemistry
- Anatomy
- Animal bio technology
- Animal breeding & genetics
- Animal husbandry and drying
- Animal husbandry extension education
- Animal production & management
- Animal science
- Animation and VFX
- Anthropology
- Apparel and textiles
- Apparel technology and management
- Applications of mathematics
- Applied animal science
- Applied biology
- Applied chemistry
- Applied chemistry pharmaceuticals
- Applied economics & business forecasting
- Applied economics
- Applied electronics
- Applied fisheries and aquaculture
- Botany and forestry
- Business process outsourcing
- Chemical Science
- Chemistry
- Child guidance and family counselling
- Child health nursing
- Clinical microbiology
- Clinical nutrition
- Clinical psychology
- Clinical research
- Clinical research and regulatory affairs
- Clothing and textiles
- Coastal & disaster management
- Communication
- Communication media for children
- Community health nursing
- Computational biology
- Applied psychology military
- Applied solid state physics
- Applied statistics and informatics
- Applied zoology
- Aquaculture
- Aquaculture & fishery micro biology
- Aquaculture management and technology
- Aquatic biology and fisheries
- Astronomy
- Astronomy and space physics
- Audiology
- Audiology and speech rehabilitation
- Aviation
- Bacteriology
- Banking & finance
- Basic science and humanities
- Bio chemistry
- Bio diversity & conservation
- Bio electronics and instrumentation
- Bio informatics
- Biological oceanography and bio diversity BO & BD
- Biological sciences
- Biology
- Bio materials and tissue engineering
- Bio medical genetics
- Bio medical science
- Bio physics
- Bio resource management
- Bio science
- Bio statistics
- Bio technology
- Bio technology & management
- Bio – textiles
- Botany
- Electronics& communication
- Electronics and instrumentation
- Electronics and tale communication
- Endocrinology
- Engineering physics
- Entomology
- Entomology and apiculture
- Entrepreneurship
- Environment and climate change management
- Environmental biology
- Environmental bio technology
- Environmental chemistry
- Environmental management
- Environmental microbiology
- Environmental science
- Environmental science & technology
- Epidemiology

M.SC

- Computer animation and visual effects
- Computer application & information technology
- Computer applications
- Computer communication
- Computer science
- Computer technology
- Conservation biology
- Co – operation and banking co – operative management
- Costume design and fashion
- Counselling and family therapy
- Counselling psychology
- Criminology
- Criminology & criminal justices
- Crop physiology
- Crops ology
- Cyber law and information security
- Dairy chemistry
- Dairy engineering
- Dairy microbiology
- Dairy science
- Dairy technology
- Data mining & warehousing
- Developmental communication
- Disarmament studies
- Disaster mitigation
- Drug chemistry
- Earth science
- Earth science & resource management
- Eco restoration
- Ecology & environmental science
- E – Commerce& web design
- Economics
- Ecotourism
- e- Learning technology
- Electro chemistry
- Electronic media
- Electronic science
- Electronics
- General bio technology
- Genetics
- Genetics and plant breeding
- Genetics engineering
- Genomics
- Genomics and proteomics
- Geography
- Geo informatics
- Geological sciences
- Geology
- Geo physics
- Global warming reduction
- Green business
- Green technology
- M.Sc. food & nutrition
- Extension and communication
- Extension and education
- Extension education and communication management
- Fabric and apparel designing
- Family and community science die tics and nutrition
- Family resource management
- Fashion& textile merchandising
- Fashion design and technology
- Fashion designing
- Fashion technology
- Fermentation& microbial technology
- Finance and computer application
- Financial computing
- Financial economics and administration
- Financial mathematics
- Fleet operations management
- Floriculture and landscaping
- Food biotechnology
- Food nutrition
- Food processing technology
- Food science & quality control
- Food science and nutrition
- Food science and technology
- Food service management and dietetics
- Food technology
- Food, nutrition & dietetics
- Forensic science & criminology
- Forensic sciences
- Forest products
- Forest products and utilization
- Forestry
- fruit breeding
- Fruit science
- Fruits& orchard management
- Game design and development
- Gaming
- Garment manufacturing technology
- Garment production & export management
- Instrumentation technology
- Insurance business
- Integrated bio technology
- Intellectual property rights
- Interior design
- Interior design and resource management
- Life science
- Limnology & fisheries
- Livestock production & management
- Livestock production management
- Marine biology / aquatic biology and fisheries
- Marine bio technology
- Marine geo physics
- Marine science
- Mass communication

M.SC

- Habitat and population studies
- Hardware & networking
- Health and yoga therapy
- Herbal science
- Home science – extension education
- Homological algebra
- Horticulture
- Horticulture - fruit production and post-harvest technology
- Horticulture – floriculture and landscaping
- Horticulture – vegetable science
- Hospital and health information administration
- Hospital administration
- Hospitality & hotel administration
- Hospitality and tourism studies
- Hotel & catering management
- Hotel management
- Hotel management and tourism
- Hotel management catering technology and tourism
- Hotel management, catering & tourism
- Human consciousness and yogic science
- Human development
- Human development and family studies
- Human development and child welfare
- Human genetics
- Human physiology
- Hydro chemistry
- Hydrology
- Immune technology
- Industrial chemistry
- Industrial engineering
- Industrial fisheries
- Industrial micro biology
- Information and communication technology
- Information science
- Information security and cyber forensics
- Information technology
- Information technology and management
- Inorganic chemistry
- Instrumentation and applied physics
- Multimedia and animation
- Multimedia technology
- Museology
- Mycology & plant pathology
- Nano sciences and technology
- Nano technology
- Natural resource management
- Nematology
- Network protocol design
- Network technology and management
- Mass communication and journalism
- Mass communication, advertising and journalism
- Master of prosthetics and orthotics – MPO
- Materials science
- Materials science & Nano technology
- Maternity nursing
- Mathematical ecology & environment studies
- Mathematical science
- Mathematics
- Mathematics and computing
- Maths & computer applications
- Maths & statistics
- Med.tech.microbiology
- Med.tech.pathology
- Media technology
- Medical bio chemistry
- Medical bio technology
- Medical imaging technology
- Medical lab technology
- Medical micro biology
- Medical physics
- Medical radiation physics
- Medical technology
- Medicinal plants
- Mental health
- Mental health nursing
- Meteorology
- Microbial & food technology
- Microbial genetics and bio informatics
- Microbiology
- Microbiology & immunology
- Microelectronics and advanced
- Communication
- Military science
- Mineral exploration
- Molecular biology
- Molecular biology & bio chemistry
- Molecular biology & genetic engineering
- Molecular biology and human genetics
- Multimedia
- Production engineering
- Psychiatric nursing
- Psychological counselling
- Psychology
- Public health
- Regenerative medicine
- Remote sensing and GIS
- Renewable energy
- Resource management
- Resource management and consumer service

M.SC

- Neuroscience
- Nuclear medicine technology nuclear physics and technology
- Nursing
- Nutrition and dietetics
- Nutrition and food processing
- OBST. Andgyane nursing
- Obstetrics and gynaecological nursing
- Occupational therapy
- Oceanography
- Oceanography and coastal area studies
- Olericulture
- Operation research & computer applications
- Operational research
- Opto electronics
- Optometry
- Orthopaedics
- Osteopathy
- Paediatric nursing
- Petroleum geology
- Petroleum technology
- Pharmaceutical chemistry
- Pharmacology
- Pharmacy
- Photonics
- Physical oceanography and ocean modelling PO & OM
- Physical science
- Physics
- Physiology
- Phytomedical science & technology
- Plant bio chemistry
- Plant biology & plant bio technology
- Plant bio technology
- Plant genetic resource
- Plant molecular biology
- Plant molecular biology and bio technology
- Plant pathology
- Plant physiology
- Plant protection
- Plant science
- Plantation development
- Pollution control
- Polymer chemistry
- Polymer science and chemical technology
- Poultry production
- Veterinary gynaecology and obstetrics
- Veterinary medicine
- Veterinary microbiology
- Veterinary Parasitology
- Veterinary Pharmacology& toxicology
- Veterinary Physiology
- Veterinary Public health
- Resource management and design application
- Respiratory therapy
- Rural banking & finance management
- Rural development science
- Rural health
- Rural technology
- Science and technology communication
- Science communication
- Seed science & technology
- Sericulture
- Service industry management
- Silviculture
- Silviculture and agro – forestry
- Social work
- Software engineering
- Software system
- Software system and multimedia
- Soil and water conservation
- Soil conservation & water management
- Soil science
- Soil science and agricultural chemistry
- Soil science and water management
- Speech and hearing
- Speech language pathology
- Spices& plantation crops
- Sports science
- Statistics
- Statistics actuarial
- Statistics and computer applications
- Stem cell & regenerative medicine
- Stem cell and tissue engineering
- Sugar technology
- Sustainable development
- System administration & networking
- Tea husbandary& technology
- Tech.material science and engineering
- Textile chemistry
- Textile design
- Textiles and fashion apparel
- Total quality management
- Tourism
- Tourism and hospitality management
- Tree improvement
- Urban and reginal planning
- Vegetable science
- Water management
- Water resource management
- Wildlife biology & conservation
- Wildlife sciences
- Wood science & technology
- Yoga
- Yoga and management

SCIENCE AND HUMANITIES

M.SC

- Veterinary Surgery & radiology
- Veterinary Anatomy & histology
- Virology and immune technology
- Visual communication

- Yoga and naturopathy
- Yogic science and holistic health
- Zoology

ENGINEERING

Diploma (3 YEARS) B.E/B.Tech(4 YEARS) M.E/ M.Tech(2 YEARS)

- AGRICULTURE ENGINEERING
- AERONAUTICAL ENGINEERING
- AUTOMOBILE ENGINEERING
- CIVIL AND ARCHITECTURAL ENGINEERING
- CHEMICAL AND PETROLEUM ENGINEERING
- ELECTRICAL AND ELECTRONICS ENGINEERING
- ENVIRONMENTAL AND SAFETY ENGINEERING
- MARINE ENGINEERING
- MINING ENGINEERING
- PRINTING AND PACKAGING ENGINEERING
- TEXTILES, APPAREL AND FOOTWEAR ENGINEERING
- MECHANICAL ENGINEERING
- AGRICULTURE ENGINEERING
- AERONAUTICAL ENGINEERING
- AUTOMOBILE ENGINEERING
- BIO ENGINEERING
- COMPUTER AND COMMUNICATION ENGINEERING
- CIVIL AND ARCHITECTURAL ENGINEERING
- CHEMICAL AND PETROLEUM ENGINEERING
- ENERGY ENGINEERING
- ELECTRICAL AND ELECTRONICS ENGINEERING
- MECHANICAL ENGINEERING
- ENVIRONMENTAL AND SAFETY ENGINEERING
- FOOD ENGINEERING
- MARINE ENGINEERING
- MINING ENGINEERING
- TEXTILE, APPAREL AND FOOTWEAR ENGINEERING
- PRINTING AND PACKAGING

ENGINEERING / POLYTECHNIC DIPLOMA

AGRICULTURE ENGINEERING <ul style="list-style-type: none"> • Agricultural engineering 	AERONAUTICAL ENGINEERING <ul style="list-style-type: none"> • Aeronautical engineering 	AUTOMOBILE ENGINEERING <ul style="list-style-type: none"> • Automobile engineering

---	--

PRINTING AND PACKAGING ENGINEERING

- Printing technology
- Printing, graphics and packaging
- Packaging technology

TEXTILE, APPAREL AND FOOTWEAR ENGINEERING

- Apparel production technology
- Fashion and lifestyle design
- Fashion technology
- Fibbers & textiles processing technology
- Footwear technology
- Leather technology
- Silk technology
- Carpet & textile technology
- Manmade fibber technology
- Textile technology

COMPUTER AND COMMUNICATION ENGINEERING

CHEMICAL AND PETROLEUM ENGINEERING

- Drilling engineering
- Dyestuff technology
- Fuel & combustion
- Fuel engineering
- Petroleum exploration
- Petroleum geology
- Petroleum processing & petro chemical engineering
- Petroleum refining and petro chemicals
- Petroleum technology
- Plastic engineering / technology
- Polymer Nano technology
- Polymer technology
- Oils, oleochemicals and surfactants technology
- Rubber coating technology
- Oleo chemicals and surfactants tech
- Surface coating technology

ELECTRICAL AND ELECTRONICS ENGINEERING

- Control engineering
- Control systems and instrumentation
- Control systems
- Applied electronics and instrumentation engineering
- Applied electronics
- Electrical machinery design
- Electronics system design engineering
- Electrical devices & power system engineering
- Electrical and Electronics engineering
- Electrical devices & control
- Electrical energy system
- Electrical engineering
- Electronics and telecommunication engineering
- Electronics and communication engineering
- Electronics design and technology
- Electronics engineering
- Embedded system technology
- Industrial electronics
- Industrial process equipment design
- Instrumentation and control engineering
- Instrumentation
- High voltage engineering
- Fibber optics and light wave engineering
- Fibbers and textile processing technology
- Illumination engineering
- Microelectronics and control system
- Micro electronics
- Microelectronics& embedded technology
- Microelectronics and VLSI design
- Power electronics and drives
- Power electronics
- Power system engineering
- Power system and power electronics
- Radio frequency communications
- Real time embedded system
- Real time systems
- Remote sensing& wireless sensor network
- Remote sensing and geo graphic information system in GIS
- Remote sensing
- Visual information processing and embedded systems
- Visual information processing
- Microwave electronics
- VLSI µ electronics
- VLSI And Computer Engineering
- VLSI design & CAD
- VLSI design & embedded system
- VLSI design
- VLSI system design
- VLSI TECHNOLOGY
- Process instrumentation
- Process control & instrumentation
- Sensors and control systems engineering
- Electronics and instrumentation engineering
- Electronics circuit & system
- Power and energy systems

BE/BTECH ENGINEERING

FOOD ENGINEERING

- Dairy and food engineering
- Dairy technology
- Food engineering and technology
- Food & nutrition
- Food bio technology
- Food processing technology
- Food technology and bio chemical engineering
- Food technology
- Perfumery & flavour technology
- Process and food engineering
- Sugar engineering

MECHANICAL ENGINEERING

- Advance production system
- Automation & robotics
- Control and automation
- CAD / CAM
- Computer aided design and manufacturing
- Computer integrated manufacturing
- Machinery design
- Manufacturing
- Materials science & technology
- Computer aided design
- Computational analysis in mechanical sciences
- Industrial automation and robotics
- Design & production engineering

MECHANICAL ENGINEERING

- Design engineering
- Engineering design
- Fluids engineering
- Extractive metallurgy
- Heat power
- Heat transfer and thermal power
- Industrial engineering
- Integrated design and manufacturing
- Manufacturing and automation
- Manufacturing and precision engineering
- Manufacturing system engineering
- Manufacturing technology
- Material science and engineering
- Mechanical in weapons
- Mechanical engineering
- Mechanical system design & dynamics
- Mechanical system design
- Mechatronics
- Machine design
- Maintenance engg. Tribology
- Metallurgical & materials engineering
- Meteorology
- Modelling & simulation
- Nano technology
- Pipeline engineering
- Plant design
- Process design engineering
- Process metallurgy
- Product design & manufacturing
- Production & industrial engineering
- Production engineering & system technology
- Production engineering
- Production management
- Production technology & management
- Production technology
- Power system & automation
- Robotics engineering
- Refrigeration & air conditioning
- Thermal engineering
- Thermal science & energy system
- Thermal system design
- Thermal turbo machines
- Tool engineering
- Steel technology
- Turbo machines
- Welding technology
- Reliability engineering

CIVIL AND ARCHITECTURAL ENGINEERING

- Building technology and construction management
- Ceramic technology
- Chemical synthesis and process technologies
- Chemical technology
- Civil engineering
- Civil structural design
- Civil soil mechanic and foundation engineering
- Computer aided structural engineering
- Construction engineering and management
- Construction technology
- Highway technology
- Hydraulics & water resources engineering
- Hydraulics and irrigation engineering
- Infrastructure engineering and management
- Civil engineering in geo technical engineering
- Civil engineering in structural engineering
- Irrigation and drainage engineering
- Town & country planning
- Traffic and transportation planning
- Transportation engineering
- Urban planning
- Water resources engineering
- Soil and water engineering
- Soil and water conservation engineering
- Structural and foundation engineering
- Structural engineering and natural disaster management
- Structural engineering & construction management
- Structural engineering

ME / MTECH ENGINEERING COURSES

AGRICULTURE ENGINEERING

- Agricultural Engineering
- Agricultural process and food engineering
- Agricultural system and management
- Agricultural water management
- Aqua cultural engineering
- Farm machinery and power engineering
- Farm power & machinery
- Green energy technology
- Postharvest engineering and technology
- Postharvest processing and food engineering

ENVIRONMENTAL AND SAFETY ENGINEERING

- Disaster management
- Earth & environmental sciences
- Earth system science and technology
- Earthquake engineering
- Environmental engineering and management
- Environmental engineering
- Environmental geometrics
- Environmental management
- Environmental science and technology
- Health, safety & environmental engineering
- Industrial safety
- Industrial pollution control engineering

TEXTILE, APPAREL AND FOOT WEAR ENGINEERING

- Footwear science and engineering
- Textile technology
- Leather technology

AERONAUTICAL ENGINEERING

- Aeronautical engineering
- Aerospace engineering
- Air craft design
- Cryogenic engineering
- Rock engineering and underground structure
- Rock excavation engineering
- Space technology and application

BIO ENGINEERING

- Bio mineral processing
- Bio pharmaceutical technology
- Bio medical engineering
- Bio medical signal processing & instrumentation
- Bio chemical engineering
- Bio electronics
- Bio energy
- Bio informatics
- Bio medical instrumentation
- Bio technology and bio chemical engineering
- Bio technology and bio process engineering
- Bio technology
- Clinical engineering
- Cosmetic technology
- Industrial bio technology
- Molecular biology and human genetics
- Pharmaceutical bio technology
- Pharmaceutical technology

MARINE ENGINEERING

- Ocean engineering and naval architecture
- Ocean engineering
- Ocean technology and management
- Offshore structures

PRINTING AND PACKAGING ENGINEERING

- Print and graphics communication

AUTOMOBILE ENGINEERING

- Automobile engineering
- Automotive product design
- Combustion and propulsion
- Internal combustion engineering

ENERGY ENGINEERING

- Clean coal & energy technology
- Clean technology
- Energy and environment
- Energy conservation & environment
- Energy engineering
- Energy management and climate change technology
- Energy management
- Energy science and technology
- Energy system engineering
- Energy technology
- Engineering analysis & design
- Nuclear engineering
- Renewable energy engineering and management
- Thermal power engineering
- Solar and alternative energy
- Solar power engineering

MINING ENGINEERING

- Gas turbine technology
- Geo technical and geo environmental engineering
- Geo technical engineering
- Long wall & mine mechanisation
- Marine engineering
- Mine planning & design
- Mineral engineering
- Mining engineering
- Mining machinery engineering
- Open cast mining

MANAGEMENT

BBA

- Accounting
- Air travel management
- Auto retailing
- Banking and insurance
- Business economics
- Business law and ethics
- Business statistics
- Computer applications
- Economics
- Entrepreneurship
- Financial management
- Financial markets management
- Financial mathematics
- Foreign trade
- Hospitality & tourism
- Hotel management
- Hotel management and tourism
- Human resource management
- Information system management
- Information technology
- International business
- Jewellery design and management
- Legal management
- Logistics management
- Management
- Marketing
- Media management
- Oil & gas marketing
- Operations management
- Organizational behaviour
- Sales and marketing
- Strategic management
- Supply chain management
- Travel and tourism management

MBA / EMBA

- Actuarial science
- Advertising management & public relations
- Agri – business food process management
- Agri – business input management
- Agri – business technology management
- Agri – business
- Agriculture
- Air travel management
- Airline management
- Airport & airline management
- Aviation management
- Ayurveda pharmacy
- Banking & taxation
- Banking and finance
- Banking and insurance
- Banking and investment
- Banking
- Behavioural science management
- Bioinformatics
- Bio technology
- Business analytics
- Business economics
- Business forecasting
- Business information system business law
- Business sustainability
- Capital market
- Chemical sales & marketing management
- Clinical research
- CSR management
- Commerce and information technology
- Communication management
- Family business and entrepreneurship
- Fashion design management
- Fashion management
- Fashion marketing and merchandising
- Fashion merchandising and retail management
- Fashion technology management
- Finance and control
- Finance
- Financial engineering
- Financial management
- Financial services
- Foreign trade
- Forensic science management
- Forestry & environment mgt
- Geo informatics management
- Geriatric care management
- Global peace and security
- Green business management
- Health care management
- Health service management
- Healthcare administration
- Hospital & healthcare management
- Hospital management
- Hospitality
- Hotel management
- Hotel management , tourism and catering technology
- Human resource management
- Industrial management
- Industry integrated
- Information systems
- Information technology

MANAGEMENT

MBA / EMBA

- Computer management
- Corporate secretary ship
- Corporate
- Cost & management accounting
- Criminology management
- Cruise ship hospitality management
- Customer relationship management
- Design management
- Disarmament studies
- Disaster management
- E – Business
- E – Commerce
- Economic legislation
- Ecotourism management
- Education
- Energy and environment
- Energy management
- Energy trading
- Entrepreneurship
- Entrepreneurship development
- Environmental management
- Event management
- Executive
- Export management
- NGO management
- Oil and gas management
- Operations management
- Organizational behaviour and human resource development
- Personnel administration
- Personnel management & industrial relations
- Pharma .technology
- Pharmaceutical management
- Police administration management
- Pollution control management
- Port & shipping management
- Power management
- Production and materials management
- Production and operations management system
- Production management I
- Production management II
- Public policy
- Public relations
- Public system management
- Quantitative techniques I
- Quantitative techniques II
- Real estate
- Retail management
- Risk and insurance
- Rural development and management
- Safety management
- EHS management
- Infrastructure management
- Infrastructure
- Institutional management
- Intellectual property rights
- Interior design
- International agribusiness
- International business and e – commerce
- International business
- Investment management
- Logistics & shipping management
- Logistics and supply chain management
- Logistics management
- Macroeconomic theory and policy
- Managerial communications
- Managerial ethics
- Marketing management
- Material and logistics management
- Media management
- Materials management
- Media and entertainment
- Media and event management
- Medicinal management
- Nanotechnology
- Natural resource management
- Sales & marketing
- Sales and distribution management
- Service management
- Shipping finance
- Small business management
- Social entrepreneurship
- Supply chain management
- Sustainable development management
- Systems management
- Technology management
- Textiles management
- Tourism & hotel management
- Tourism administration
- Sports marketing management
- Sports production management
- Strategic management
- Tourism and hospitality management
- Travel & tourism
- Urban infrastructure and real estate management
- Urban management
- Wealth management
- Insurance
- Retail and supply chain management
- Small business and entrepreneurship
- Total quality management
- Master of international business
- Islamic finance
- Hospitality management

EDUCATION

“EDUCATION IS THE MOVEMENT FROM DARKNESS TO LIGHT”

- BACHELOR OF EDUCATION (B.Ed)
- Master of Education (M.Ed.)
- Master of Philosophy (M.Phil)
- B.P.Ed (Bachelor in Physical Education)
- M.P.Ed (Master in Physical Education)

BACHELOR OF EDUCATION (B.ED)

- History
- Mathematics
- Biological Sciences
- Natural Science
- Social Studies
- Commerce
- Physical Education
- Computer Science
- Physical Science
- Economics
- Special Education
- English
- Tamil
- Geography
- Mathematics
- Hearing Impaired
- Political Science
- Hindi
- Physics
- Home Science
- Chemistry

MASTER OF EDUCATION (M.ED.)

- Educational Technology
- Educational Management
- Women Studies
- Language Education
- Teacher Education
- Guidance and Counselling
- Special Education
- Environment Education
- Yoga Education
- Rural Education

MASTER OF PHILOSOPHY (M.PHIL)

- History
- Economics
- Linguistics
- English
- Geography
- Sociology
- Political Science
- Hindi
- Public Administration
- Humanities & Social Science
- Human Development Studies
- Social Work
- Applied and Regional Economics
- Arts (MPhil & PhD)
- Biology
- Chemistry
- Physics
- Life Sciences
- Biotechnology
- Botany
- Computer Science
- Zoology and Bioscience
- Clinical Psychology
- Mathematical Sciences
- Aquatic Biology and Fisheries
- Commerce
- Law
- Education
- Physical Education

B.P.ED (BACHELOR IN PHYSICAL EDUCATION)

- B.P.Ed (Bachelor in Physical Education)

M.P.ED (MASTER IN PHYSICAL EDUCATION)

- M.P.Ed (Master in Physical Education)

“ EVERY FORM OF TRUE EDUCATION TRAINS THE STUDENT IN SELF - RELIANCE ”

RESEARCH

“RESEARCH IS CREATING NEW KNOWLEDGE”

- ENGINEERING DISCIPLINES
- MANAGEMENT
- ALL SCIENCE AND HUMANITIES

RESEARCH / DOCTORAL GRADUATESHIP

ENGINEERING DISCIPLINES

- Aeronautical engineering
- Agriculture engineering
- Automobile engineering
- Bio medical engineering
- Building engineering and management
- Chemical engineering
- Civil engineering
- Computer science and engineering
- Dairy engineering
- Electrical and electronics engineering
- Electrical and instrumentation engineering
- Electrical engineering
- Electronics and communications engineering
- Engineering geology
- Environmental engineering
- Food engineering and technology
- Footwear science and engineering
- Informatics and language engineering
- Instrumentation and control engineering
- Irrigation and water management engineering
- Mechanical engineering
- Metallurgical and materials engineering
- Network engineering
- Petroleum engineering
- Plastic engineering
- Production engineering
- Software engineering
- Structural engineering
- Thermal engineering
- Water resources engineering

MANAGEMENT

- Business administration
- Business management
- Disaster management
- Energy and environmental planning
- Energy economics
- Energy efficiency in buildings
- Energy management
- Environment management
- Hospitality
- Industrial management
- Management studies
- Marketing
- Operational research
- Rural management
- Strategic management
- Tourism management

**“ THE FUTURE BELONGS TO THOSE WHO BELIEVE
IN THE BEAUTY OF THEIR DREAMS ”**

ENGINEERING DISCIPLINES

- Anatomy
- Animal breeding and genetics
- Animal husbandry extension education
- Animal nutrition
- Animal science
- Anthropology
- Apparel and textiles
- Applied chemistry
- Applied mathematics
- Applied physics
- Aquaculture
- Aquatic biology and fisheries
- Aquatic environment management
- Astronomy
- Atmospheric sciences
- Bioinformatics
- Botany
- Chemical sciences
- Chemical thermodynamics
- Chemistry
- Computational linguistics
- Computer science
- Computer science and applications
- Converging technology
- Design
- Digital electronics
- Disciplines of forensic sciences
- Earth science
- Ecology
- Electro chemistry
- Environmental science
- Family resource management
- Fish cytogenetic pollution and toxicology
- Fish processing technology
- Fisheries microbiology
- Fisheries resources and management
- Fisheries sciences
- Floriculture and landscaping
- Fluid dynamics
- Fluid mechanics
- Food and dairy technology
- Food and nutrition
- Food science and nutrition
- Food science and technology
- Food service management and dietetics
- Geological sciences
- Geology
- Graph theory
- Home science
- Home science extension education
- Human development and family studies
- Human genetics
- Human nutrition
- Hydrobiology
- Industrial chemistry
- Inorganic chemistry (nuclear and radiochemistry)
- Ion exchange
- Kinematics
- Life science zoology/botany
- Livestock production and management

**EDUCATION IS THE MOST
POWERFUL WEAPON WHICH
YOU CAN USE TO CHANGE
THE WORLD**

ADVANTAGES & HIGHLIGHTS

Flexible Learning at Virtual Classroom

Flexible practical Training at Virtual Lab/Case Study/
OJT/Practical at college.

Flexible Exam schedule Offline Exam at centers /
Online Exam

Eligible for HRD/MEA/Embassy attestation

Eligible for Higher Education

Internationally recognized Certificate

Easy Syllabus, Free Study Materials and Low Fees

100% Passing Results

Online Admission Facility Available

Dedicated Student Support

Study Guides & e-books will be provided

You can also complete Work Integrated

**ADMISSIONS OPEN
JOIN NOW !!**
